

The advertisement features a dark blue vertical band on the left side, filled with a pattern of concentric, rounded square outlines. The right side is black, with a large, thick, white-to-gray gradient arc curving from the top right towards the bottom left. The text 'Whirlpool Spas' is written in a white, elegant cursive font, centered within the black area.

*Whirlpool
Spas*

The logo consists of a stylized sunburst or starburst pattern above a horizontal line with a central rectangular cutout, resembling a window or a doorway.

It is important to choose your spa system carefully to get maximum enjoyment from your spa. You may require a soft air system for medical reasons or a more powerful system to improve circulation. Alternatively you may require a system purely for the overall relaxation that modern day living requires.

All the systems can be fitted to luxury baths from both the LIBRA and PLEXICOR ranges. Simply choose your bath and add the system of your choice

Use this brochure to choose from our **STANDARD SYSTEMS** or from our exclusively designed **PENTHOUSE COLLECTION** to suit your specific needs and desires
